ONE DAY WORKSHOP ON

HOW TO PROVIDE PHARMACEUTICAL CARE SERVICES?

Organized by

Department of Pharmacy Practice

G. PULLA REDDY COLLEGE OF PHARMACY

IN ASSOCIATION WITH

AVENIDA INNOVATIONS

Department of Pharmacy Practice, G. Pulla Reddy College of Pharmacy in association with Avenida Innovations organized a One day workshop on “[How to provide pharmaceutical care services?](#)” on the occasion of **World Health Day** 7th April 2022 from 9.30AM to 4.30PM. This workshop focused on training students to understand the prescription and assess the prescription for right drug, right dose, identification drug interactions etc., based on SOAP (Subjective, objective assessment & Plan) protocol. The workshop was conducted by **Dr. Karthik Rakam, CEO& Cofounder, Avenida Innovations**. As a part of this program, **Dr. Ruby Raphael, clinical pharmacologist NIMS, Hyderabad** discussed on Antibiotic stewardship.

This In-house workshop was attended by 90 students from 2nd year to 6th year PharmD students.

The workshop was co-ordinated by Prof. Dr. P.K. Lakshmi. The program ended with vote thanks. Students were given participation certificate.
