Research Development & Publication Incentive Policy

Research in educational institutions shall be encouraged to generate innovative ideas among the students and drive towards the entrepreneurship. The curriculum includes Research projects of two semesters in M.Pharm, one semester group projects in B.Pharm and one year group projects in Pharm.D courses. The M.Pharm students take up individual research projects under the guidance and Supervision of Professors, Associate Professors & Senior Assistant Professors and submit thesis report copy to the University for the award of Degree.

The faculty are encouraged to take up innovative idea research projects for M.Pharm students and get a better outcome of the research and leading to quality research publications in Peer reviewed Scopus and/or Web of Science Journals with impact factor.

To encourage the research, G.Pulla Reddy College of Pharmacy frame the following research development and publication incentive policy.

1. The faculty shall be given incentive in the form of financial assistance for publication in Peer reviewed Web of Science and/or Scopus journals with impact factor more than one.
 - i. For publishing a Research or Review paper in Web of Science or Scopus journal with more than one impact factor, the faculty shall be given Rs. 5000/- incentive or 50% of the publication charges whichever is lower.
 - ii. Incentive will be given to the main author faculty who is the first person for the concept and supervised the conceptualisation leading to the publication.
 - iii. Incentive also will be provided for the faculty for the publication arising of collaboration work, where in the faculty is equal partner in developing the concept, designing the methodology and active supervision.
 - iv. One faculty will be provided incentive for only one such publication in one academic year.
 - v. The faculty should submit the hard copy the draft publication to Chairman/Director Research Development committee, GPRCP, obtain permission before publication.
 - vi. The faculty should submit the hard copy of the publication along with the details of impact factor to the Principal for availing the incentive.

Research Development Committee

**Encouragement for sponsored or collaborative research project with
Financial Grants.**

The faculty shall be encourage to design & prepare Research Project proposal to various sponsoring agencies, collaborative partner and get financial grant to execute the Research project.

If any faculty sanctioned a sponsored Research Project or a Collaborative Research Project with a financial grant of more than Rs. 5.0 lakhs, such faculty shall be provided with suitable up gradation of laboratory facilities & flexibility in teaching hours.
